WORK EXPERIENCE

My work experience starts in 2003 like web-designer freelance.
Today I prefer to define me like flash developer even if my job experience goes from HTML to CSS, from PHP to MySQL database.
I like developing Flash with XML files, PHP files or other external data to create dynamic solutions. I like too Flash and video.
The main steps of my work are: relationships with the clients, web graphic and web programming.
The main software that I use are: Flash 8 and Flash CS3, Dreamweaver, Photoshop.
To develop dynamic site on my pc I use AppServer and the phpMyAdmin panel.
Sometimes I use Adobe Premiere to assembly video.
